

St. Patrick's School

STEM Activity Day

When: Sunday, January 27; 12:00 - 1:30pm

Where: St. Patrick School Gymnasium (The Hager Center)

What: STEM Activity Day and Open House

Children ages 2 -14 are invited to attend **STEM Activity Day** at
St. Patrick School!

You will have the opportunity to:

- Create Lego designs
- Program Sphero robots to complete tasks
- Participate in a Makerspace design challenge
- Design, create, and film news reports
- PLAY!

Parents are invited to attend **“Coffee and Conversation”** with St. Patrick Principal, Kaci Monaghan, to learn more about the St. Patrick School difference in education!

**** Snacks will be provided.**

** For more information about this fun filled event, or to learn more about our school, contact:

Kaci Monaghan, Principal,
